NYSE MKT Rules

Trading of Option Contracts
Section 1. General Rules Relating to Options

Rule 903. Series of Options Open for Trading

(a) - (g) No Change

(h) *Short Term Option Series Program.* After an option class has been approved for listing and trading on the Exchange, the Exchange may open for trading on any Thursday or Friday that is a business day ("Short Term Option Opening Date") series of options on that class that expire at the close of business on each of the next five Fridays that are business days and are not Fridays in which monthly options series or Quarterly Options Series expire ("Short Term Option Expiration Dates"). The Exchange may have no more than a total of five Short Term Option Expiration Dates, not including any Wednesday SPY Expirations as provided in Commentary .10, paragraph (e). If the Exchange is not open for business on a Thursday or Friday, the Short Term Option Opening Date will be the first business day immediately prior to that Thursday or Friday. Similarly, if the Exchange is not open for business on a Friday, the Short Term Option Expiration Date will be the first business day immediately prior to that Friday. Short Term Option Series shall be P.M.-settled, except for Short Term Option Series on indexes. Short Term Option Series on indexes shall be A.M.-settled.

With the exception of Wednesday SPY Expirations, [N]no Short Term Option Series may expire in the same week in which monthly option series on the same class expire or, in the case of Quarterly option series, on an expiration that coincides with an expiration of Quarterly option series on the same class.
