specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

# A. <u>Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis</u> for, the Proposed Rule Change

## 1. Purpose

The Exchange proposes to amend its Schedule of Fees and Rebates to adopt the same billing dispute practice as the Exchange's affiliates and other exchanges. As discussed below, the proposed provision would be identical to provision [sic] in the fee schedules of the Exchange's affiliates the New York Stock Exchange LLC ("NYSE"), NYSE Arca, Inc. ("NYSE Arca"), and NYSE American LLC ("NYSE American") as well as other equities and options exchanges.

# **Background**

The Exchange proposes to amend its Schedule of Fees and Rebates to adopt a billing procedure to prevent ETP Holders from contesting their bills long after they have been sent an invoice. The procedure proposed by the Exchange is the same as that in place at the Exchange's equities and options affiliates<sup>4</sup> and substantially the same as that in place at other equities and

All fee disputes must be submitted no later than sixty (60) days after receipt of a billing invoice"); NYSE Arca Equities Fees and Charges, available at

As proposed, all fee disputes concerning fees billed by the Exchange would have to be submitted to the Exchange in writing and accompanied by supporting documentation. Further, all fee disputes would have be [sic] submitted no later than sixty (60) days after receipt of a billing invoice. After sixty days, all fees assessed by the Exchange would be considered final. The Exchange believes that this requirement, which is the same as that in place at the Exchange's equities and options market affiliates, will streamline the billing dispute process.

The Exchange believes it is reasonable for ETP Holders to become aware of any potential billing errors within sixty calendar days of receiving an invoice. Requiring that ETP Holders dispute an invoice within this time period will encourage ETP Holders to review their invoices promptly so that any disputed charges can be addressed in a timely manner while the information

and data underlying those charges (e.g., applicable fees and order information) is still easily and readily available. This practice will avoid issues that may arise when ETP Holders do not dispute an invoice in a timely manner, and will conserve Exchange resources that would have to be expended to resolve untimely billing disputes.<sup>7</sup>

In order for ETP Holders to be fully aware of this rule regarding fee disputes, the Exchange proposes to include the language proposed for the Schedule of Fees and Rebates in each customer invoice.

### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act, 8 in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act, 9 in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers, and because it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes the requirement to submit all billing disputes in writing, and with supporting documentation, within sixty days from receipt of the invoice, is reasonable because the Exchange provides ample tools to properly and swiftly monitor and account for various charges incurred in a given month. Also, the proposal is equitable and not unfairly

The same rationale has been advanced by the other markets that have adopted the proposed billing procedure. <u>See, e.g.</u>, Securities Exchange Act Release No. 71286 [sic] (January 14, 2014), 79 FR 3442, 3442 (January 21, 2014) (SR-ISE-2014-02).

<sup>&</sup>lt;sup>9</sup> 15 U.S.C. 78f(b)(4) & (5).

discriminatory because it applies equally to all ETP Holders. The proposed provision regarding fee disputes in the Schedule of Fees and Rebates promotes the protection of investors and the public interest by providing a clear and concise mechanism in Exchange Rules for ETP Holders to dispute fees and for the Exchange to review such disputes in a timely manner. In addition, the proposed 60-day limitation is fair and equitable because it will be implemented prospectively on all ETP Holders, only applying to invoices issued after the proposed rule change becomes operative. Moreover, the proposed billing dispute language, which will lower the Exchange's administrative burden, is the same as the billing dispute language adopted by the NYSE Affiliates as well as other exchanges.<sup>10</sup>

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

# B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

In accordance with Section 6(b)(8) of the Act, <sup>11</sup> the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change, which would apply equally to all ETP Holders, would establish a clear process for billing disputes, and is the same as rules adopted by the Exchange's affiliates as well as other exchanges. Because the market for order execution and routing is extremely competitive, ETP Holders may readily opt to disfavor the Exchange if they believe that alternatives offer them better value. The Exchange does not believe the proposed changes will impair the ability of ETP Holders or competing order execution venues to maintain their competitive standing in the financial markets. Moreover,

See notes 4-5, supra.

<sup>15</sup> U.S.C. 78f(b)(8).

because the Exchange does not propose to alter or modify specific fees or credits applicable to ETP Holders, the proposal does not impose any burden on competition.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>12</sup> and Rule 19b-4(f)(6) thereunder.<sup>13</sup> Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.<sup>14</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>15</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

<sup>&</sup>lt;sup>13</sup> 17 CFR 240.19b-4(f)(6).

<sup>17</sup> CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
