

## Form ADV Part 3: Relationship Summary

### Investment & Retirement Advisors, LLC doing business as Hull Wealth Management

#### Introduction

Hull Wealth Management is an investment adviser registered with the U.S. Securities and Exchange Commission. We offer our clients investment advisory services. Clients should understand that the services we provide and fees we charge are different than those of a broker-dealer, and that it is important to understand the difference between the two. Free and simple tools are available to research firms and financial professional at <https://www.investor.gov/CRS>, which also provides educational materials about investment advisers, broker-dealers and investing.

#### What Investment Services and Advice Can You Provide Me?

**Description of Services:** Hull Wealth Management offers investment advisory services to retail investors. Our investment advisory services involve us managing and trading your designated account(s). We can also provide asset management services through one or more sub-advisers, who we will evaluate, select, and monitor to manage and trade your account(s). We will discuss your investment goals and design a strategy to try and achieve your investment goals. As a standard part of our services, we will continuously monitor your account when providing asset management services and contact you at least annually to discuss your portfolio. Investment advisory services are provided on a **discretionary** basis, meaning we will have the authority to determine the type and amount of securities that can be bought or sold for your portfolio without obtaining your consent for each transaction and hire or fire sub-advisers without your consent every time. For more information about investment authority, please see **Item 16** of our **Form ADV Part 2A**. We also provide financial planning and consulting services which involve us creating a written financial plan or providing consultations covering mutually agreed upon topics. Such services can be provided on a one-time or on-going basis. Please see **Item 4** of our **Form ADV Part 2A**.

**Limited Investment Offerings:** We do not primarily recommend one type of security to clients. Instead, we recommend investment portfolios designed to be suitable for each client relative to that client's specific circumstances and needs. However, we are limited in investment selection in that we can only invest your account in securities which are available on your custodian/broker-dealer's platform. When providing you services, we do not recommend or offer advice on any proprietary products.

**Account & Fee Minimums:** There are no minimum investment amounts or conditions required for establishing an account managed by us.

**Conversation Starters:** *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

#### What Fees Will I Pay?

**Description of Principal Fees & Costs:** Fees charged for our asset management services are based on a percentage of assets under management, billed on a quarterly calendar basis, and calculated based either on the average daily balance of your account during the previous billing period or some sub-advisers use the value of the account at the end of the billing period. The annual fee for asset management services will be based upon a fee schedule which ranges between 0.25% and 1.45%. For clients with one or more sub-advisers, the annual fee paid to our firm and the sub-adviser can reach 1.65%. Because our fee is based upon the value of your account we have an incentive to recommend that you increase the level of assets in your account. When engaging us for asset management services, you will also incur other fees and expenses. The broker-dealer/custodian on your account will charge you transaction fees for executing trades in your account. You will also be charged internal fees and expenses by the funds we invest in within your account.

We provide financial planning and consulting services at no additional cost for most of our Investment Advisory clients, to the extent requested by the client. However, at the sole discretion of HWM, if a client requires or requests extraordinary planning services, we can charge for such services under an hourly fee arrangement, not to exceed \$400 per hour. We can also provide such services under a fixed fee arrangement not to exceed \$10,000 with a structured payment of 50% payable in advance. Any hourly or unpaid fixed fees are due immediately upon completion and delivery of the financial plan.

**Additional Information:** You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs

you are paying. For more information about the fees we charge and the other fees and expenses you will incur, please see **Item 5** of **Form ADV Part 2A**.

**Conversation Starters:** *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

***What Are Your Legal Obligations to Me When Acting as My Investment Adviser?  
How Else Does Your Firm Make Money and What Conflicts of Interest Do You Have?***

**Standard of Conduct:** When we act as your investment adviser, we must act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are two examples to help you understand what this means. (1) To the extent we recommend you roll over your account from a current retirement plan to an individual retirement account ("IRA") managed by us and subject to our asset-based investment advisory fees, this is a conflict of interest because we have a financial incentive to recommend that you move your IRA to us even if it is not in your best interest. For more information about this conflict and our procedures to mitigate the conflict, see **Item 4** of our **Form ADV Part 2A**. (2) When we provide asset management services, we will ask that you establish an account with National Financial Services, LLC ("NFS") to maintain custody of your assets and to effect trades for your account. Our recommendation to use NFS is not based solely on your interest of receiving the best execution possible. We also recommend NFS because their affiliate, Fidelity, provides us with research, products and tools that help us manage and further develop our business operations. As a result, we do not have to pay for such benefits, which save us money; however, these arrangements create a conflict of interest. See **Item 12** of our **Form ADV Part 2A** for more information.

**Conversation Starters:** *How might your conflicts of interest affect me, and how will you address them?*

**Additional Information:** For more information about our conflicts of interests and the ways we are compensated, please see **Item 5** and **Item 10** of our **Form ADV Part 2A**.

***How Do Your Financial Professionals Make Money?***

**Description of Salary/Payment of IARs:** We compensate our investment adviser representatives based on the level of assets that the representative brings in to us. This creates a conflict of interest as it gives your representative an incentive to recommend you invest more in your account with us due to the potential for increased payments. Our representatives also serve as licensed insurance agents. When acting in this capacity, the representative will receive commissions for selling insurance products. This creates a conflict of interest when the representative recommends you purchase insurance products.

**Additional Information:** For more information about these conflicts of interest, please see **Item 10** of our **Form ADV Part 2A**.

***Do You or Your Financial Professionals Have Legal or Disciplinary History?***

**No.** Neither us, nor our investment adviser representatives have a legal or disciplinary history to report. You can look up more information about us and our investment adviser representatives at <https://www.investor.gov/CRS>.

**Conversation Starters:** *As a financial professional, do you have any disciplinary history? For what type of conduct?*

***Additional Information About Hull Wealth Management***

Additional information about us and a copy of this relationship summary are available on the Internet at <https://www.hullwealth.com/>. You can also find our disclosure brochures and other information about us at <https://adviserinfo.sec.gov/firm/summary/131741>. If you have any questions or want an up-to-date copy of this relationship summary, we can be reached by phone at (615) 896-1181.

**Conversation Starters:** *Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?*
