III. CONCLUSIONS OF LAW

By failing to file required annual and quarterly reports, Respondents violated Exchange Act Section 13(a).

IV. SANCTION

Revocation of the registrations of the registered securities of Respondents will serve the public interest and the protection of investors, pursuant to Section 12(j) of the Exchange Act. Revocation will help ensure that the corporate shell is not later put to an illicit use involving publicly traded securities manipulated to the detriment of market participants. Further, revocation accords with Commission sanction considerations set forth in Gateway Int'l Holdings, Inc., Exchange Act Release No. 53907 (May 31, 2006), 88 SEC Docket 430, 438-39 (citing Steadman v. SEC, 603 F.2d 1126, 1139-40 (5th Cir. 1979)), and with the sanctions imposed in similar cases in which corporations violated Exchange Act Section 13(a) by failing to file required annual and quarterly reports. See Cobalis Corp., Exchange Act Release No. 64813 (July 6, 2011), 101 SEC Docket 43379; Nature's Sunshine Products, Inc., Exchange Act Release No. 59268 (Jan. 21, 2009), 95 SEC Docket 13488; Impax Lab., Inc., Exchange Act Release No. 57864 (May 23, 2008), 93 SEC Docket 6241; America's Sports Voice, Inc., Exchange Act Release No. 55511 (Mar. 22, 2007), 90 SEC Docket 879, recon. denied, Exchange Act Release No. 55867 (June 6, 2007), 90 SEC Docket 2419; Eagletech Commc'ns, Inc., Exchange Act Release No. 54095 (July 5, 2006), 88 SEC Docket

1225. Respondents' violations were recurrent, egregious, and deprived the investing public of current and accurate financial information on which to make informed decisions.

Failure to file periodic reports violates a crucial provision of the Exchange Act. The purpose of the periodic reporting requirements is to publicly disclose current, accurate financial information about an issuer so that investors may make informed decisions:

The reporting requirements of the Securities Exchange Act of 1934 is the primary tool which Congress has fashioned for the protection of investors from negligent, careless, and deliberate misrepresentations in the sale of stock and securities. Congress has extended the reporting requirements even to companies which are "relatively unknown and insubstantial."

SEC v. Beisinger Indus. Corp., 552 F.2d 15, 18 (1st Cir. 1977) (quoting legislative history); accord e-Smart Techs., Inc., Exchange Act Release No. 50514 (Oct. 12, 2004), 57 S.E.C. 964, 968-69. The Commission has warned that "many publicly traded companies that fail to file on a timely basis are 'shell companies' and, as such, attractive vehicles for fraudulent stock manipulation schemes." e-Smart Techs., Inc., 57 S.E.C. at 968-69 n.14.
