ADMINISTRATIVE PROCEEDING
File No. 3-17908

In the Matter of the Application of

6D Global Technologies, Inc.
For Review of Action Taken by
The Nasdaq Stock Market LLC

ORDER REGARDING
NASDAQ'S MOTION TO
DISMISS AND PROPOSED
BRIEFING SCHEDULE ON THE
MOTION TO DISMISS

Applicant 6D Global Technologies, Inc. ("6D") filed an Application for Review of Final Delisting Action Taken by The Nasdaq Stock Market, LLC ("Nasdaq") on April 5, 2017. Nasdaq filed a Motion to Dismiss 6D's application (the "Motion to Dismiss") on April 13, 2017 on the ground that the application is untimely, and requested a stay with respect to its obligation to certify and file its record in this matter. On April 18, 2017, 6D filed a letter proposing a briefing schedule on the Motion to Dismiss that would extend the filing deadlines under the Rules of Practice.¹ In that letter, 6D represented that counsel to both parties have agreed that: (i) any brief in opposition be filed by 6D on or before April 28, 2017, (ii) Nasdaq's reply be filed on or before May 12, 2017, and (iii) Nasdaq's obligation to certify and file the record be stayed until after the Commission has entered a decision on the Motion to Dismiss.

It appears appropriate under the circumstances set forth in 6D's letter to grant extensions of time for filing the response and reply to the Motion to Dismiss and the certified record. It is

ORDERED that 6D's response to the Motion to Dismiss shall be filed on or before April 28, 2017, and Nasdaq's reply to the Motion to Dismiss shall be filed on or before May 12, 2017.

¹ See 17 C.F.R. § 201.154(b).

It is further ORDERED that if the Commission denies the Motion to Dismiss, Nasdaq shall certify and file its certified record 14 days after the Commission makes such determination.

For the Commission, by its Secretary, pursuant to delegated authority.²
