COMMISSION ANNOUNCEMENTS

MAY 28 1974

AMENDMENT TO NYSE RULE 440A.11 PROPOSED

LIBRARY

The SEC announced today that it is publishing for public comment a proposal of the New York Stock Exchange to amend its Rule 440A.11 to prohibit the reduction of statistical or advisory service fees (where fees for such services are published) in consideration of brokerage commissions received. Comments are to be submitted in writing, referring to File No. S7-524, to the Office of the Secretary, Securities and Exchange Commission, 500 N. Capitol St., Washington, D. C. 20549, on or before July 1, 1974. (Rel. 34-10824)

DECISIONS IN ADMINISTRATIVE PROCEEDINGS

SIDNEY FRANK BAHR AND EDWIN A. SCHRADER BARRED FROM ASSOCIATION WITH ANY BROKER-DEALER

An order has been issued barring Sidney Frank Bahr, of Bethlehem, Pennsylvania, and Edwin A. Schrader, of Orefield, Pennsylvania, from association with any broker or dealer. According to the decision, Bahr and Schrader sold unregistered stock of International Resources, Inc. and made misrepresentations about the expected rise in its price, and International's financial condition and future prospects. It was found that Bahr also made misstatements in connection with transactions in the stock of General Energy Corporation about the expected rise in its price, the listing of that stock on various exchanges, General's prospects, and the extent of its uranium holdings. Bahr and Schrader failed to appear at the hearing, and were deemed in default. (Rel. 34-10805)

TRADING SUSPENSIONS

SUSPENSION OF U.S. FINANCIAL, INC. TO TERMINATE

The suspension of over-the-counter trading in the securities of U. S. Financial Incorporated (USF), of San Diego, California will terminate at midnight on May 28, 1974. The suspension was initiated on December 5, 1972 because of the lack of accuracy and reliability of USF's statements of operations and financial condition, as well as a lack of information on other transactions. USF announced on December 4, 1972 that its independent auditors had withdrawn their certificate of USF's financial statements for the fiscal year 1971.

On July 23, 1973, USF filed a petition for reorganization under Chapter XI of the Bankruptcy Act. On January 23, 1974, USF announced restated 1971 financial results showing a loss of \$9.1 million on \$65.1 million revenues rather than the previously announced profit of \$10.9 million on \$180.3 million revenues, and USF announced restated 1972 financial results showing a loss of \$42.8 million on \$151.7 million revenues for the year rather than the previously announced results for nine months ending September 30, 1972, showing profits of \$15.6 million on \$119 million revenues.

On May 14, 1974 the Federal court for the Southern District of California permanently enjoined USF, by consent, from violations of the antifraud, reporting and proxy requirements of the securities laws and required it to file, among other things, certain reports and plans with the Commission.

Also on May 14, 1974, USF filed a revised plan of reorganization with the Bankruptcy Court which calls for, among other things, a 1-for-20 reverse split of USF's approximately four million shares of common stock presently outstanding, and the issuance to creditors and other claimants of up to 3.9 million shares of new common stock, one million shares of which are reserved for issuance to USF's senior unsecured creditors, 1.1 million shares for issuance to both classes of USF's debenture holders, and 1.8 million shares for issuance to claimants (including present stockholders) to settle various class action stockholder law suits against USF for violating the federal securities laws.

If USF receives the requisite creditor and court approval, it plans to obtain confirmation of the reorganization through the solicitation of proxies, which proxy statement will include an audited balance sheet and other USF financial information as of December 31, 1973, in addition to all appropriate disclosure concerning USF's prior business practices and financial reports, and shall disclose the effect of any improperly reported income in prior years' annual financial statements. USF is delinquent in filing with the Commission its annual report on Form 10-K for its fiscal years 1972 and 1973 and all quarterly reports on Form 10-Q since the third quarter of 1972. (Rel. 34-10822)

ADDITIONAL ACTION ON FIVE TRADING SUSPENSIONS

The SEC has announced the suspension of (a) exchange and over-the-counter trading in the securities of Stratton Group, Ltd., and over-the-counter trading in the securities of Continental Vending Machines, Inc. for the further ten-day period May 25-June 3, inclusive; and (b) exchange and over-the-counter trading in the securities of Canadian Javelin, Ltd., and over-the-counter trading in the securities of Winner Industries, Inc. and Royal Properties, Inc. for the further ten-day period May 28-June 6, inclusive.
