## COMMISSIONER SPEAKS

PROPER REGULATION REQUIRES UNDERSTANDING  
AND COMMUNICATION

LIBRARY

On May 28, 1975, in Portland, Oregon, Commissioner Evans addressed the Western Stock Transfer Association concerning the ramifications of legislation awaiting the President's signature that would require the SEC and transfer agents to enter a regulatory relationship for the first time. After reviewing the problems that led to Congressional action, the Commissioner observed that under the new legislation it appeared that a regulatory program for transfer agents would have to be developed in such areas as registration, performance standards, recordkeeping, and reporting. However, Commissioner Evans pointed out that the Commission has not yet considered the nature or scope of an appropriate regulatory program in this area, and, thus, it was most important for transfer agents to provide the Commission with views and background information, particularly during the public comment period on proposals by the Commission for such regulation. The Commissioner assured the Association that, in any event, the regulation would be sensitive to the diverse circumstances that exist among various transfer agents to avoid burdensome and undesirable regulatory effects.

Commissioner Evans noted that the legislation directed the Commission to study the practice of registering securities in nominee name and to determine whether this practice facilitates communications between corporations and their shareholders. In addition, the legislation authorizes the Commission to adopt rules requiring persons handling securities transactions to report information about missing, lost, stolen or counterfeit securities to the Commission. The Commissioner discussed also the role of the Commission's staff no-action letter process and emphasized that the issuance of a no-action letter by the staff does not relieve private persons, including transfer agents, from ensuring that the federal securities laws are complied with in connection with securities transactions.

## TRADING SUSPENSIONS

SUSPENSION OF INTEGRITY ENTERTAINMENT  
CORP. TERMINATED

The SEC announced that the temporary suspension of over-the-counter trading in the securities of Integrity Entertainment Corp., a Delaware corporation, located in Los Angeles, California, will terminate at midnight (EDT) on May 28, 1975.

The Commission initiated the suspension on May 9 pending an announcement concerning an inventory theft. On May 16, 1975, Integrity Entertainment Corp. announced its nine-month earnings results, which showed a loss, reflecting the inventory theft estimated at \$1 million. The company stated that definite figures as to the amount of the theft loss will not be available until a physical inventory of the company's merchandise is taken in connection with the preparation of its year-end financial statements as of June 30, 1975. (Re-. 34-11444)

TRADING SUSPENDED IN TWO COMPANIES

Exchange and over-the-counter trading has been suspended for a ten-day period beginning on May 28 and terminating at midnight (EDT) on June 6, 1975 of all securities of the following companies which have failed to file with the Commission at least the indicated reports: Continental Connector Corp., a New York corporation located in Woodside New York (10-K annual report for the fiscal year ended December 31, 1974; 10-Q quarterly report for the fiscal quarter ended March 31, 1975) trading halted on the American Stock Exchange December 18, 1969, traded over-the-counter; and Longchamps, Inc., a New York corporation located in New York, New York, (10-K annual report for the fiscal year ended November 2, 1974, 10-Q quarterly reports for the fiscal quarters ended May 3, 1974, August 3, 1974 and February 3, 1975), traded over-the-counter.

The Commission initiated the suspensions because the companies failed to comply with the reporting provisions of the Exchange Act resulting in the lack of current and accurate information available to the public. (Rel. 34-11445)

#### ADDITIONAL ACTION ON ONE TRADING SUSPENSION

The SEC has announced the suspension of exchange and over-the-counter trading in the securities of Canadian Javelin, Ltd. for the further ten-day period May 29 - June 7, inclusive.

## COURT ENFORCEMENT ACTIONS

---

### GREGORY AURRE, JR., OTHERS ENJOINED

The New York Regional Office announced that on May 14 final judgments of permanent injunction were entered against Gregory Aurre, Jr. (Aurre) and Peter Miranti (Miranti) enjoining them from violations of the antifraud provisions of the Securities Exchange Act of 1934 and various provisions of the Investment Company Act of 1940, including those relating to embezzlement, self-dealing, breach of fiduciary duty and books and records and enjoining them from serving or acting in certain capacities with respect to registered investment companies. Aurre and Miranti consented to the permanent injunctions without admitting or denying the allegations of the Commission's complaint. In addition, Aurre consented to the entry of an order of disgorgement. Aurre & Co., Inc. was enjoined from violations of the self-dealing provision of the Investment Company Act of 1940. See Litigation Release No. 6849/April 22, 1975 and No. 6496/July 29, 1974. (SEC v. Gregory Aurre, Jr., et al., S.D.N.Y., 75 Civ. 1924 LPG). (LR-6899)

### BUTTERFIELD FINANCIAL SERVICES, INC., BARRY LINDSAY ENJOINED

The Los Angeles Regional Office announced that on May 5 the Honorable Robert Firth of the U.S. District Court in Los Angeles, California, entered a judgment of permanent injunction by default against Butterfield Financial Services, Inc., and Barry Lindsay, both of Lake Elsinore, California, from violations of the registration and antifraud provisions of the securities laws.

The complaint alleged that defendants have offered and sold to the general public securities which were investment contracts in the form of hydroponic greenhouses coupled with offers of management agreements and that these securities were not registered with the Commission. The complaint charged that because hydroponic farming required specialized training and a substantial amount of land, most investors would have to use defendant South Coast's land and management services, and thus would be investing in a common enterprise where the return on their investment would come from the efforts of the promoters.

Further, the Commission alleged that defendants made misleading statements, and omitted to state certain material facts to potential investors regarding expected earnings from the hydroponic units. Defendants' widespread advertising in several states claimed that each \$15,000 unit would return \$5,000 to \$6,000 a year to the investor. Potential investors were not told that these predictions were based on inadequate and inaccurate results of a one-time harvest from an experimental unit, and that such results had not been repeated in the commercial units.

The Commission charges that defendants also misrepresented the potential of the hydroponic industry and omitted to tell investors of the numerous risks inherent in a hydroponic farming operation. (SEC v. South Coast Hydroponics of Elsinore, Inc., et al., CV-74-2425-RF C.D. CA.). (LR-6900)

### KENNETH E. DENSON, OTHERS ENJOINED

The SEC announced that on May 23 the Honorable George L. Hart, Jr., Chief U.S. District Judge for the District of Columbia, entered an order enjoining Kenneth E. Denson, Walter F. Sparks, Paken Enterprises, Inc., W.F.S., Inc., Claude Leroy Dixon, and Southern Capital Corporation from violations of the antifraud provisions of the securities laws. The orders also required Denson and Sparks to disgorge \$1,500 between them to Allegheny Beverage Corporation and required Dixon to disgorge \$10,000 to Allegheny Beverage Corporation. The orders, which were entered on consent of the defendants, stemmed from a complaint (SEC v. Allegheny Beverage Corporation, et al.) filed on May 11, 1973, alleging that the defendants participated in a fraudulent public offering of Valu Vend Credit Corporation debentures during 1971 and 1972. (LR-6901)

**WESTERN PACIFIC GOLD AND SILVER EXCHANGE CORPORATION, OTHERS ENJOINED**

The Denver Regional Office announced that on May 15 U.S. District Chief Judge Roger D. Foley, entered an order of summary judgment permanently enjoining Western Pacific Gold and Silver Exchange Corporation, a Delaware corporation, James Ray Houston, also known as Sun Ray Star, Stanton L. Anondson, and Robert C. Evans from violating the registration and antifraud provisions of the securities laws. The injunction was with respect to certain securities issued by Western Pacific Gold and Silver Exchange Corporation and Western Pacific Coin and Silver Exchange Corporation and the defendants, including, among others, investment contracts, evidences of indebtedness of interests or instruments commonly known as a security, in the form of silver investment agreements, or any other security of any issuer whatsoever. The Court also entered orders for certain ancillary relief, including, among other things, the continuation of the receiver, and disgorgement by the defendants.

The Commission also filed on May 15, 1975 a petition for civil contempt petitioning the Court for an order requiring defendant James Ray Houston to show cause why he should not be held in civil contempt of the Court for failing to account as ordered by the Court in its minute order dated April 15, 1975. The Court entered an order requiring James Ray Houston to appear on the 28th of May, 1975, to show cause why he should not be cited for contempt for failure to comply with the Court's order. (SEC v. Western Pacific Gold and Silver Exchange Corporation, et al., U.S.D.C., Nevada, Civil Action No. LV-74-188 RDF). (LR-6903)

**INNOVEST, INC., OTHERS ENJOINED**

The Los Angeles Regional Office announced that on May 22 the Honorable Lawrence T. Lydick, U.S. District Judge, in Los Angeles, California, permanently enjoined Innovest, Inc., of Beverly Hills, California, and Gregory W. McKay of Los Angeles, California, from violating the antifraud provisions of the securities laws.

According to the complaint, which was filed on May 22 the defendants are alleged to have organized and promoted real estate limited partnerships in which Innovest, Inc., has acted as general partner. The complaint alleges that the defendants failed to adequately disclose the partnerships' prospects for economic viability, the risk that certain tax deductions would be disallowed, the basis of fees paid to the general partner, and the extent of financing services provided by defendants. The complaint also alleged that the defendants misrepresented the projected results of operations, defendants' track record, and the financial condition of existing partnerships.

The defendants consented to the entry of the permanent injunction without admitting or denying the allegations in the Commission's complaint. (SEC v. Innovest, Inc., et al., CV-75-1731-LTL, C.D. CA). (LR-6904)

**EQUITY FUNDING ACCOUNTANTS FOUND GUILTY**

The Los Angeles Regional Office announced the return of guilty verdicts by a jury in the U.S. District Court at Los Angeles at the conclusion of a four month trial of Julian S. H. Weiner, of Beverly Hills, Solomon Block, of Granada Hills, and Marvin Al Lichtig, of Woodland Hills, who were among the defendants named in an indictment against 22 individuals rising out of the fraudulent activities of Equity Funding Corporation of America.

Defendant Weiner was convicted on six counts charging violations of the securities fraud provisions of the Securities Act of 1933, three counts of filing a false registration statement in violation of that Act, and one count of filing a false 10-K report in violation of the Securities Exchange Act of 1934. Defendant Lichtig was convicted on six counts of securities fraud, five counts of filing a false registration statement, one count of filing a false listing application with the Securities and Exchange Commission in violation of the Securities Exchange Act of 1934, and one count of filing a false 10-K report in violation of the Securities Exchange Act of 1934. Defendant Block was convicted on five counts of securities fraud, and he was acquitted on one count. Block was further convicted of filing a false registration statement in violation of the Securities Act of 1933, filing a false 10-K report in violation of the Securities Exchange Act of 1934, and he was acquitted of one count of filing a false registration statement with the Securities and Exchange Commission.

Weiner was a partner of Wolfson, Weiner, Ratoff & Lapin, and Seidman & Seidman, accounting firms which had certified financial statements of Equity Funding Corporation of America. Block was a manager with both Wolfson, Weiner, Ratoff & Lapin, and Seidman & Seidman. Lichtig was a partner of Wolfson, Weiner, Ratoff & Lapin and later an officer of Equity Funding Corporation of America.

Of the remaining 19 defendants, 18 had earlier entered guilty pleas and have already been sentenced. One defendant, Richard Gardenier, withdrew his guilty plea and his case awaits disposition. The Honorable Jesse W. Curtis, U.S. District Judge, who tried the case, ordered the defendants Weiner, Block and Lichtig to appear for sentencing on June 23, 1975. (U.S. v. Stanley Goldblum, et al., C.D. CA, Criminal Action No. 13390). (LR-6905)
