COMMISSION ANNOUNCEMENTS

ROBERT M. FOMON NAMED TO
NATIONAL MARKET ADVISORY BOARD

Roderick M. Hills, Chairman of the SEC, announced the appointment of Robert M. Fomon as a member of the National Market Advisory Board to replace John E. Leslie, who resigned from the Board for reasons of ill health on February 23, 1976.

Mr. Fomon currently serves as president and chief executive officer of E. F. Hutton & Company Inc., positions which he has held continuously since 1970. Mr. Fomon has also held a wide variety of positions of leadership in the securities industry, including that of Chairman of the Pacific Stock Exchange. In announcing Mr. Fomon's appointment, Chairman Hills indicated that Mr. Fomon's extensive experience in the securities industry is expected to be of great aid to the Board in its future deliberations.

The National Market Advisory Board was created in August, 1975, to furnish its views to the Commission on significant regulatory proposals, to study and make recommendations to the Commission as to the steps the Board finds appropriate to facilitate the establishment of a national market system, and to report to Congress on the possible need for modification of the scheme of self-regulation of the securities markets.

COURT ENFORCEMENT ACTIONS

ERNEST C. MCALISTER, OTHERS INDICTED

The Atlanta Regional Office announced that on March 29 the Lamar County, Alabama Grand Jury returned indictments charging Ernest C. McAlister and Quenton S. Hightower, of Huntsville, Alabama, Geraldine Steen, Charles J. Steen and Joseph J. Rostan, Jr., of Jackson, Mississippi, and Prentice Sanders, of Vernon, Alabama, with wilfully and unlawfully selling promissory notes of National Accounts Service Association, Inc. in violation of the antifraud provisions of the Alabama Securities Act. (LR-7374)

COMPLAINT NAMES WILLIAM L. WONG
AND ALOHA SECURITIES CO., INC.

The Los Angeles Regional Office announced that the Commission filed a complaint naming as defendants William L. Wong, individually and doing business as Aloha Securities Investment Company, and Aloha Securities Co., Inc., alleging violations of the broker-dealer registration requirements of the Securities Exchange Act and seeking an injunction against continued violations of those registration requirements. The action was filed in the U.S. District Court, Honolulu, Hawaii, on March 12, 1976. (SEC v. William L. Wong, et al., District of Hawaii, Civil Action No. 76-0092). (LR-7375)

ROBERT E. CLOUD ENJOINED

The San Francisco Branch Office announced that on April 14 the Honorable Bruce R. Thompson, U.S. District Judge for the District of Nevada, after a hearing, granted the Commission's motion preliminarily enjoining Robert E. Cloud (Cloud) from violations of the registration provisions of the securities laws. The Commission, in its complaint filed October 9, 1975, alleged, among other things, that Cloud sold fractional undivided interests in the mineral rights of Wildhorse Mining Property, a purported gold mine, at a time when no registration statement for such securities was filed or in effect. (SEC v. Robert E. Cloud, D. Nevada, Reno Div., Civil Action No. R75-189). (LR-7376)

An order has been issued exempting Anchor Corporation, Anchor Growth Fund, Inc., Anchor Income Fund, Inc., Anchor Reserve Fund, Inc., Anchor Spectrum Fund, Inc., Fundamental Investors, Inc., and Washington National Fund, Inc., from certain provisions of Section 22(d) of the Act. WOOD, STRUTHERS & WINTHROP

A notice was issued on March 12 (Rel. IC-9201) giving interested persons an opportunity to request a hearing on the application of Wood, Struthers & Winthrop, Inc. (WS&W) and affiliated companies, including Wood, Struthers & Winthrop Management Corp. (Management Corp.) for an order exempting them from the provisions of Section 9(c) of the Investment Company Act of 1940. No request for a hearing has been filed, and the Commission has not ordered one. The Commission determined that a permanent exemption was appropriate and consistent with public interest and issued an order permanently exempting WS&W and affiliated companies from the provisions of Section 9(a) of the Act operative as a result of the injunction against WS&W in SEC v. F. L. Salomon & Co., et al. (Rel. IC-9264 - Apr. 28)

CHECCHI-PACIFIC CORPORATION

A notice has been issued giving interested persons until May 24 to request a hearing on an application of Checchi and Company for an order declaring that Checchi-Pacific Corporation, a former wholly-owned subsidiary of Checchi and Company that has been merged into Checchi and Company, has ceased to be an investment company. (Rel. IC-9266 - Apr. 28)

An order has also been issued exempting Vance, Sanders Exchange Fund, from certain provisions of Section 2(a)(3) of the Act. (Rel. IC-9267 - Apr. 28)

SELF-REGULATORY ORGANIZATIONS

NOTICE OF PROPOSED RULE CHANGE

The PBW Stock Exchange, Inc. submitted proposed rule changes under Rule 19b-4 (SR-PBW-76-5) to permit the trading of options whose underlying securities are traded in the over-the-counter market but which otherwise meet all of the present criteria for the approval of underlying stocks. Publication of the submission is expected to be made in the Federal Register during the week of April 26. (Rel. 34-12379)

The Pacific Clearing Corporation has filed, pursuant to Rule 19b-4, a proposed rule change (SR-PCC-76-4) to amend its by-laws. Publication of the submission is expected to be made in the Federal Register during the week of May 3. (Rel. 34-12383)

APPROVAL OF PROPOSED RULE CHANGE

The Commission has approved a proposed rule change filed by the Midwest Stock Exchange (MSE). The rule change (SR-MSE-76-2) amends Rule 1 of Article XXV of the MSE Rules to prohibit the imposition of any odd-lot differential on odd-lot market orders received before the opening of trading for execution at the MSE opening of trading. (Rel. 34-12380)

The Commission has approved a proposed rule change filed by the American Stock Exchange (AMEX). The rule change (SR-AMEX-76-3) amends AMEX Rule 205 to prohibit the imposition of any differential on the following types of odd-lot orders: buy on offer, sell on bid, limited order to buy on offer, limit order to sell on bid, and orders filled at the AMEX opening. (Rel. 34-12381)

MISCELLANEOUS

UNITED COIN SERVICES, INC.

An order has been issued granting the application of United Coin Services, Inc. (Applicant), a Delaware corporation, pursuant to Section 12(h) of the Securities Exchange Act of 1934, as amended (the 1934 Act), for an exemption from the provisions of Section 15(d) of the 1934 Act.

It appears to the Commission that the requested exemption is not inconsistent with the public interest and the protection of investors in view of the fact that there is no longer any trading activity in the securities of the Applicant, thorough disclosure of the Applicant's financial position was made in the registration statement and proxy materials used in connection with the merger of the Applicant into Solon Automated Services, Inc., and the operations of the Applicant will be reflected in the periodic reports filed by Solon. (Rel. 34-12382)

CLARAFICATION RE: REGULATION B SUSPENSION AND COMPLAINT SEEKING AN INJUNCTION

The Commission clarified the reports in the News Digests for March 22 and April 7, 1976, respectively, of a recent suspension of a Regulation B exemption from filing under the Securities Act of 1933 and a complaint seeking an injunction in the Federal Court in Salt Lake City. The suspension and complaint both mention Premier Oil and Gas, Inc. in connection with the offer and sale of fractional undivided working interests in oil and gas leases. Premier Oil and Gas, Inc. is a Louisiana corporation with offices in Salt Lake City, Utah.

Premier Oil and Gas, Inc. has no connection of any nature with Premier Oil and Gas Programs which have been offered and sold by Zoller & Dannenberg, Inc., a Colorado corporation. Zoller & Dannenberg, Inc., with headquarters in Denver, Colorado together with its wholly-owned subsidiary, Zoller & Dannenberg Exploration Ltd., also a Colorado corporation, have acted as general partners of Premier Oil and Gas Programs in public offerings of limited partnership interests.
