RULES AND RELATED MATTERS

REVISED DELEGATION OF AUTHORITY IN ADJUDICATIVE MATTERS

The Commission adopted revisions to its rules reflecting the consolidation of the Commission's Office of Opinions and Review into the Office of the General Counsel. On February 9, the functions of the Office of Opinions and Review were transferred to the Office of the General Counsel, except that the Executive Assistant to the Chairman will perform such functions with respect to (1) contested cases under Rule 2(e) of the Commission's Rules of Practice, and (2) other cases in which the Chairman or the General Counsel determines that separation of functions requirements or other circumstances would make inappropriate the General Counsel's exercise of such functions. The rule revisions reflecting this transfer include (1) amendments to the position descriptions of the General Counsel and the Executive Assistant and rescission of the position description of the Director of Opinions and Review; and (2) amendments to the rule delegating authority to the General Counsel, adoption of a rule delegating authority to the Executive Assistant, and rescission of the rule delegating authority to the Director of Opinions and Review. The rule revisions become effective immediately upon publication in the Federal Register. (Rel. 33-6833)

COMMISSION ANNOUNCEMENTS

ORDER AFFIRMING FOIA OFFICER'S DETERMINATION

The General Counsel sent a letter to Joan H. Boyce affirming the FOIA Officer's determination to deny access to certain information, the disclosure of which would result in harm to a Commission investigation. The General Counsel denied access under Exemption 7(A), 5 USC 552b(7)(A), to any transcripts of witnesses' investigatory testimony. Release of any responsive documents would reveal the theory of the staff's case, would provide an opportunity for witnesses to alter testimony, and would otherwise impede the Commission's investigation. The General Counsel's letter rejects the argument that, because a witness in a Commission investigation might be able to obtain a copy of his or her transcript under Rule 6 of the Commission's Rules Relating to Investigations, the Commission is compelled to release such transcripts to FOIA requesters. (Rel. FOIA-110)
