SECURITIES AND EXCHANGE COMMISSION

17 CFR Part 270

[Release No. IC-26288; File No. S7-27-03]

RIN 3235-AJ01

Amendments to Rules Governing Pricing of Mutual Fund Shares

AGENCY: Securities and Exchange Commission.

ACTION: Proposed rule amendments.

Comment: This new rule should take into consideration that Plan Sponsors should receive the current day's price, even if at a later date, in the event the market closes early due to a national disaster or if the Plan Sponsors Third Party Administrator (TPA) has problems with receiving electronic transmissions due to causes not foreseen by the TPA and Plan Sponsor.
