

SECURITIES AND EXCHANGE COMMISSION  
(Release No. 34-67562; File No. SR-BX-2012-053)

August 1, 2012

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delay the Implementation Date of Non-Display of Primary Pegged Orders with an Offset Amount

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 25, NASDAQ OMX BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes a rule change to delay the implementation date for its rule change that provides for non-display of Primary Pegged Orders with an offset amount. The text of the proposed rule change is available at <http://nasdaqomxbx.cchwallstreet.com/>, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX recently submitted a proposed rule change to provide that Primary Pegged Orders with an offset amount will not be displayed,<sup>3</sup> a change that will improve system and inter-market price stability. The display of Primary Pegged Orders with an offset amount can potentially result in excessive messaging when multiple venues display pegged non-marketable orders. The rule change to eliminate display of Primary Pegged Orders with an offset amount will prevent this feedback loop, adding to system stability and improving market quality.

Implementation of this change has been delayed to allow market makers to make the necessary system changes and still meet their compliance obligations. The Exchange expects to implement the change in the third quarter of 2012, and will announce the exact date through a publicly disseminated alert.

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,<sup>4</sup> in general, and with Section 6(b)(5) of the Act,<sup>5</sup> in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in

securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, BX believes that delaying the implementation date of non-display of primary pegged orders with an offset amount to allow market participants to adjust their systems consistent with compliance obligations will providing efficiencies that will benefit investors and the public interest and encourage more efficient order entry practices by all market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Specifically, the Exchange believes that the proposed delay in the implementation of the change will not have any effect on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>6</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>7</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description, at least five business days prior to the date of filing of the proposed rule change.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

##### Electronic comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-BX-2012-053 on the subject line.
