SECURITIES AND EXCHANGE COMMISSION (Release No. 34-62867; File No. SR-Phlx-2010-122)

September 8, 2010

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Clarify What Information Must be Entered Into the Exchange's Options Floor Broker Management System

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4² thereunder, notice is hereby given that on September 2, 2010, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. <u>Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change</u>

The Exchange is filing with the Commission a proposal to amend Phlx Rule 1063
(Responsibilities of Floor Brokers) and Phlx Options Procedure Advice C-2 (Options Floor Broker Management System)³ to clarify what information must be entered into the Exchange's Options Floor Broker Management System.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Options Floor Procedure Advices ("OFPAs" or "Advices") generally correspond to Exchange rules. OFPA C-2 is a corresponding Advice to Rule 1063, which deals, in part, with the Options Floor Broker Management System and is part of the Exchange's minor rule plan ("MRP" or "Minor Rule Plan"). The Exchange's Minor Rule Plan consists of Advices with preset fines, pursuant to Rule 19d-1(c) under the Act. 17 CFR 240.19d-1(c). See Securities Exchange Act Release No. 50997(January 7, 2005), 70 FR 2444 (January 13, 2005)(SR-Phlx-2003-40)(approval order establishing Floor Broker Management System in OFPA C-2 and Rule 1063).

The text of the proposed rule change is available on the Exchange's Website at http://nasdaqomxphlx.cchwallstreet.com/NASDAQOMXPHLX/Filings/, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. <u>Purpose</u>

The purpose of this proposal is to amend Phlx Rule 1063 and Options Floor Procedure Advice C-2 to clarify that information entered into the Exchange's Options Floor Broker Management System must include order receipt time.

The Exchange's Options Floor Broker Management System ("FBMS")⁴ was designed to establish an electronic audit trail for equity, equity index and U.S. dollar-settled foreign currency

¹

Rule 1080, Commentary .06 states, in relevant part: The Options Floor Broker Management System is a component of AUTOM designed to enable Floor Brokers and/or their employees to enter, route and report transactions stemming from options orders received on the Exchange. The Options Floor Broker Management System also is designed to establish an electronic audit trail for options orders represented and executed by Floor Brokers on the Exchange, such that the audit trial provides an accurate, time-sequenced record of electronic and other orders, quotations and transactions on the Exchange, beginning with the receipt of an order by the Exchange, and further documenting the life of the order through the process of execution, partial execution, or cancellation of that order. Rule 1080(a) states, in relevant part: AUTOM is the Exchange's electronic order delivery and reporting system, which provides for the

options⁵ orders represented by Floor Brokers⁶ on the Exchange.⁷ The Options Floor Broker Management System is found in Rule 1063(e) and corresponding Advice C-2 and states that either a Floor Broker or an employee of a Floor Broker has to record all options orders represented by such Floor Broker onto the electronic FBMS (as described in Rule 1080, Commentary .06) contemporaneously upon receipt of an order and prior to the representation of such an order in the trading crowd.

Rule 1063(e) and OFPA C-2 specify what information must be entered into FBMS (the "FBMS information"). The FBMS information currently required to be entered includes, among other things, the options symbol and the order type (i.e., customer, firm, broker-dealer, professional), but not the order receipt time. Rule 1063(f), as well the second paragraph of corresponding OFPA C-2, states that Floor Brokers or their employees shall enter FBMS information for FLEX⁸ options into the Exchange's electronic audit trail in the same electronic format as the required by Rule 1063(e) and OFPA C-2 for equity, equity index and U.S. dollar-settled foreign currency options. In that per OFPA C-2 the Options Floor Broker Management

automatic entry and routing of Exchange-listed equity options, index options and U.S. dollar-settled foreign currency options orders to the Exchange trading floor.

U.S. dollar-settled foreign currency options traded on the Exchange are also known as World Currency Options ("WCO") or Foreign Currency Options ("FCO").

Floor Broker is defined in Rule 1060 as: an individual who is registered with the Exchange for the purpose, while on the Options Floor, of accepting and executing options orders received from members and member organizations.

⁷ <u>See</u> Securities Exchange Act Release No. 50997 (January 7, 2005), 70 FR 2444 (January 13, 2005)(SR-Phlx-2003-40)(approval order establishing FBMS in Rule 1063 and OFPA C-2, and adding definition of FBMS in Commentary .06 to Rule 1080).

FLEX options are flexible exchange-traded index, equity, or currency option contracts that provide investors the ability to customize basic option features including size, expiration date, exercise style, and certain exercise prices. FLEX options may have expiration dates within five years. See Rule 1079. FLEX currency option contracts traded on the Exchange are also known as FLEX WCO or FLEX FCO contracts.

System is part of the Exchange's Minor Rule Plan, ⁹ the Advice sets forth a fine schedule for failure to enter FBMS information. ¹⁰

The Exchange notes that the time that an order is entered is being captured by the system in the audit trail created via the FBMS per Rule 1063(e) and OFPA C-2, but is not specifically required in the rule and Advice as currently written. The Exchange is therefore proposing to change Rule 1063 and OFPA C-2 to require entry of order receipt time information into the FBMS, thereby making this information requirement a part of the Minor Rule Plan reflected in OFPA C-2 and conforming the Advice and the rule.

Specifically, the Exchange proposes to state in Rule 1063(e)(i) and OFPA C-2 that Floor Brokers or their employees must record order receipt time in conjunction with order type in FBMS. Proposed Rule 1063(e)(i) and OFPA C-2 as amended will each state, in relevant part: The following specific information with respect to orders represented by a Floor Broker shall be recorded by such Floor Broker or such Floor Broker's employees: (i) the order type (i.e., customer, firm, broker-dealer, professional) and order receipt time; (ii) the option symbol; (iii) buy, sell, cross or cancel; ¹¹ (iv) call, put, complex (i.e., spread, straddle), or contingency order as described in Rule 1066; (v) number of contracts; (vi) limit price or market order or, in the case of

 2nd Occurrence

The Exchange does not propose any changes in this filing to the Fine Schedule.

To ensure conformity of Rule 1063 and Advice C-2, which both contain the list of specific information, the exchange proposes to insert the word "cross" into Advice C-2.

⁹ See supra note 3.

The OFPA C-2 fine schedule is as follows:

a complex order, net debit or credit, if applicable; (vii) whether the transaction is to open or close a position; and (viii) The Options Clearing Corporation ("OCC") clearing number of the broker-dealer that submitted the order (collectively, the "required information"). 12

The Exchange believes that the proposal would codify current practice, ensure that violations of FBMS in terms of failure to enter order receipt time are part of the Exchange's Minor Rule Plan, and harmonize Rule 1063(e) and OFPA C-2. 13

2. <u>Statutory Basis</u>

The Exchange believes that its proposal is consistent with Section 6(b) of the Act¹⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. In particular, the Exchange proposes to codify current practice, ensure that violations of the Options Floor Broker Management System in terms

The Exchange notes also that Rule 17a-3(a)(7) pursuant to the Act states, in relevant part, that broker-dealers that transact a business in securities through members of a national securities exchange shall make and keep current the books and records relating to its business including, but not limited to, among other things: a memorandum of each purchase and sale for the account of the member, broker, or dealer showing the price and, to the extent feasible, the time of execution; and, in addition, where the purchase or sale is with a customer other than a broker or dealer, a memorandum of each order received, showing the time of receipt. 17 CFR 240.17a-3.

The Exchange has filed a proposal to make unrelated changes to Rule 1063 and OFPA C-2 at SR-Phlx-2010-116 that we believe do not impact the changes proposed herein. We would update this rule change proposal should it become necessary in light of SR-Phlx-2010-116.

of failure to enter order receipt time are part of the Exchange's Minor Rule Plan, and harmonize Rule 1063(e) and OFPA C-2.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule</u>
<u>Change Received from Members, Participants or Others</u>

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

¹⁷ CFR 240.19b-4(f)(6). See 17 CFR 240.19b-4(f)(6)(iii).
