II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>

1. <u>Purpose</u>

The purpose of the proposed rule change is to recoup costs that the Exchange incurs for routing and executing Customer and Professional orders in equity and index options to away markets.

In May 2009, the Exchange adopted Rule 1080(m)(iii)(A) to establish Nasdaq Options Services LLC ("NOS"), a member of the Exchange, as the Exchange's exclusive order router.⁴ NOS is utilized by the Phlx XL II system solely to route orders in options listed and open for trading on the Phlx XL II system to destination markets.

Currently, the Exchange's Fee Schedule includes Routing Fees for both Customer and Professional orders. The Exchange proposes to assess a Routing Fee of \$.21 per contract in Customer option orders and \$.46 per contract in Professional option orders

⁴ <u>See</u> Securities Exchange Act Release No. 59995 (May 28, 2009), 74 FR 26750 (June 3, 2009) (SR-Phlx-2009-32).

that are routed to C2 Options Exchange, Inc. ("C2"). The Exchange is proposing to caption these proposed fees "C2."

The Exchange is proposing these fees in order to recoup most clearing charges which are incurred by the Exchange when orders are routed to these away markets as well as a transaction charge which is assessed by C2.⁵

The Exchange is proposing these fees to recoup the majority of transaction and clearing costs associated with routing Customer and Professional orders to each destination market. The Exchange believes that the routing fees proposed will enable the Exchange to recover the transaction fees assessed by away markets, where applicable, plus clearing fees for the execution of Customer and Professional orders routed from the Phlx XL II system. As with all fees, the Exchange may adjust these Routing Fees in response to competitive conditions by filing a new proposed rule change.

While fee changes pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative upon the effectiveness of SR-C2-2010-006.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(4) of the Act⁷ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that these fees are reasonable because they seek to recoup costs that are incurred by the Exchange when

⁷ 15 U.S.C. 78f(b)(4).

routing Customer and Professional orders to C2 on behalf of its members. The Exchange also believes that the proposed fees to both Customers and Professionals are equitable because it will be uniformly applied to all Customers and Professionals.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
